Taking care of your vehicle can earn money for your group!

As fundraisers go, they don't get any easier than this one. You don't have to sell a single thing. Just bring your vehicle into SuperSuds for an express lube service (which includes a free full service car wash), a detail service, or a car wash, and SuperSuds will donate 10% of your bill (excluding taxes) to your group. It's that simple! Did we mention that you're not required to sell anything? Simply give the form to your family, friends, and neighbors. Remember this is a fundraiser for your group so SuperSuds cannot accept any other coupons or specials offers.
